## THE HOPE

Our group made a short film called "The Hope." It's about a boy facing money problems who works as a security guard at a university. He makes a close friend who encourages him to follow his dreams. Despite facing tough times, he stays strong and succeeds in the end.

## PURPOSE

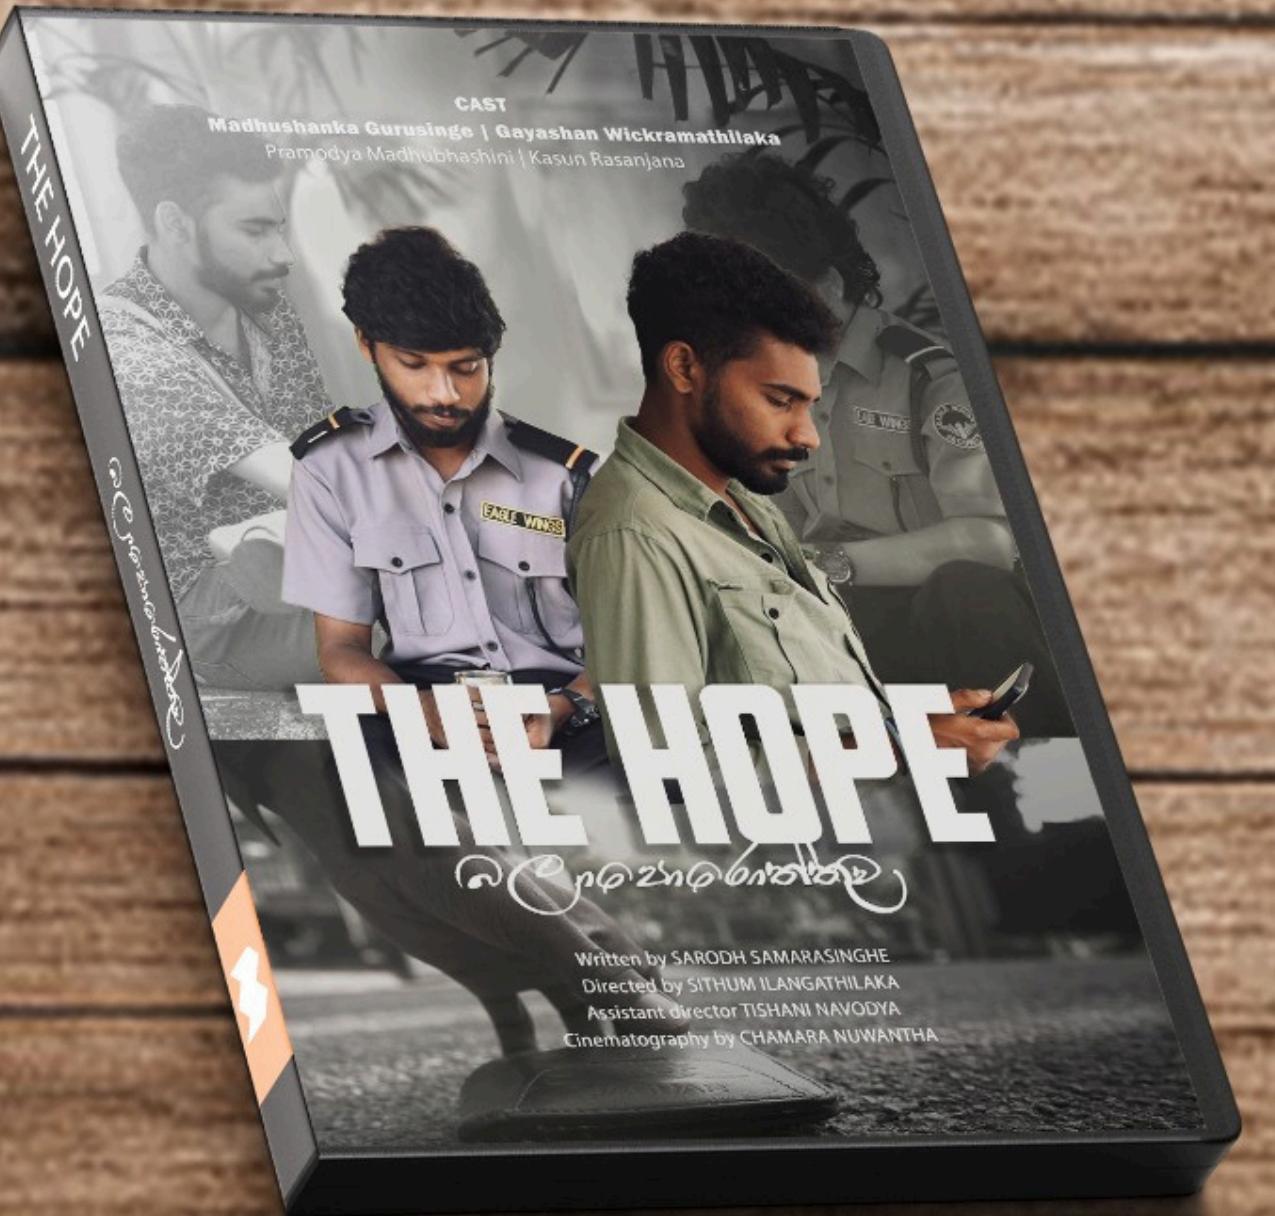

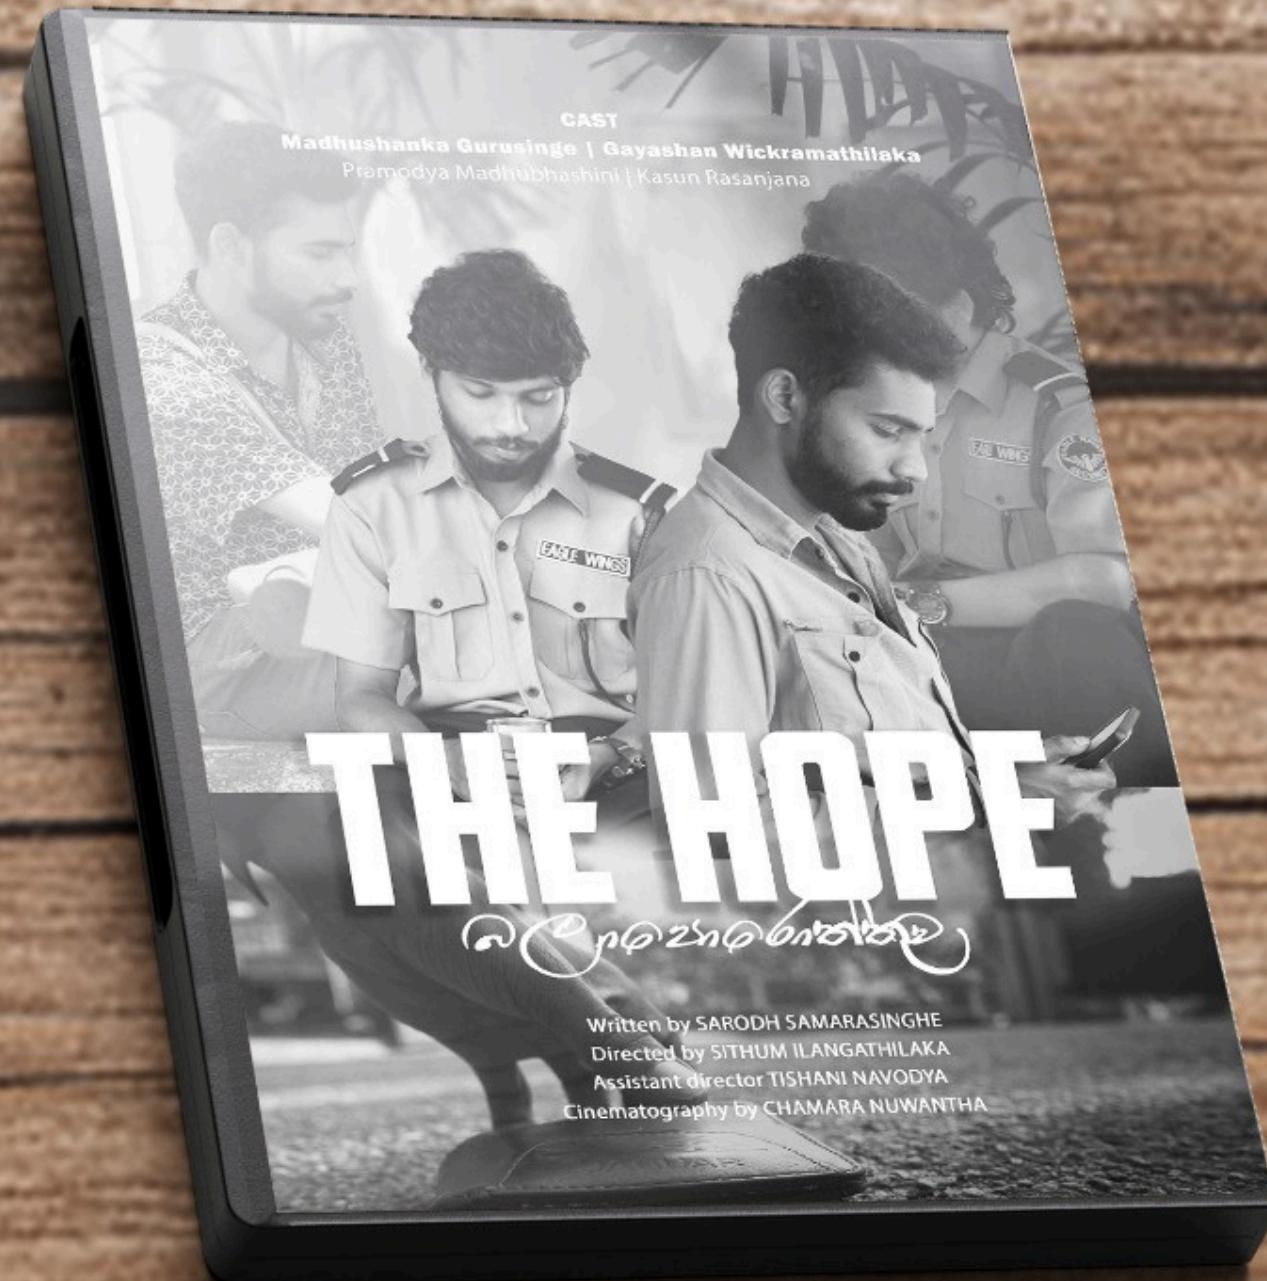

To promote understanding of the transformational power of acceptance and compassion, as well as to elicit empathy.

## TARGET AUDIENCE

Every age group in the society.

## DURATION

11 min & 30 sec
